Re: Municipal Building Entrance Construction April 22nd – June 10th, 2019

Dear Tatamy Resident,

Tatamy received a grant in 2017 to replace the ADA ramp and steps into the Municipal Building, located at 423 Broad Street, which have served us well for many years but can no longer just be repaired. Weiss Construction was awarded the project at the March 4, 2019 Council Meeting. They will be replacing the ramp, steps, and installing a sidewalk on the west side of the building to be used as temporary access. The new ramp and steps will meet all current standards for ADA compliance.

During construction, access to the building- the Post Office, Police Department, and the Borough Office, will be limited.

- **April 22-** work begins on sidewalk to Office emergency exit stairs on the west side of the Building. Work to be completed by April 28th.
- **April 29- Main entrance closed.** Work begins on the ramp and steps. Only access to the Post Office, Police Department, and Borough Office will be through the Office emergency exit on the west side of the Building Monday through Friday 9 am to 5 pm.
- **April 29 through June 10-** Main entrance closed- **no ADA access available**
- **June 11-** Main entrance opens.
- **This schedule is weather dependent.** Updates will be posted if necessary.

For those unable to use the emergency exit stairs to enter the building, please contact Deanne or Nancy in the Borough Office to make arrangements- 610-252-7123. We will be more than willing to help you. **This is a temporary inconvenience for a permanent improvement!** If you have any questions regarding this matter, please feel free to call me at 610-252-7123.

Again, the main entrance will be closed April 29, 2019 through June 10, 2019

Respectfully,

Deanne Werkheiser
